Some handy hints!

-  While all the ghostly residents are friendly and there's no gore, **Phantom Manor** has some mildly frightening content that might be perceived as too realistic for some little ones. As a parent or carer, you may need to ride it first to see if it's suitable for your child.
-  **Disney Magic on Parade!** is an enchanting sight-and-sound spectacular that winds its way through the streets of Disneyland® Park daily. We recommend you arrive in plenty of time before the parade starts to get the best viewing spot possible.
-  Nobody in your party willing to ride **Space Mountain: Mission 2**? Don't let that stop you. Hop into the Single Rider Queue and you will be on your way to hurtling through space in no time at all! See page 13 for more details.
-  **Main Street, U.S.A.®** is a great spot for taking photos in front of the iconic Sleeping Beauty Castle. The area tends to get busy quickly, so to get the best shot, we recommend Disney® Hotel guests to take advantage of Extra Magic Hours and make a stop here when the park opens.
